

MIDDLE SCHOOL SHOW REMINDERS!

Madison Middle School Show: Friday, April 10.

Info and reminders!

Please read these first two important notes. If we don't observe these requests from the school, we will not be allowed to do the show next year:

- **NO PARENTS** will be allowed as spectators this year. The MMS Admin said their student count has grown and so there is not room to accommodate the parents.

- **DANCERS:** Must stay in the Gym/Lunch Room area. They are NOT allowed to visit former teachers, or go anywhere else in the school.

ENTRY:

Dancers must come and go through **Door 7**: In the back parking lot by the lunch room. They must not come in and out through the front doors.

CAR POOLS:

Please click here [MMS Show Car Pools](#)

- If your dancer needs a ride to the Junior High or High School after the show, please put their name on the form.

- If you can be a driver to take dancers back to the Jr High or High school, please add your name to the form. The parents driving a car pool will be allowed to watch the show (this is approved with the admin). They need to sit on the sides and not on the bleachers.

REMEMBER: This is **not** a school-excused absence. Even though we are performing at the middle school, we are not a school group, so it needs to be parent-excused. We have sent a list of the dancers to both the Middle School and Madison Jr High so they are aware.

If your dancer is not coming to this show, please contact your coach right away if you haven't yet.
