

EIBC: TOMORROW!

The **EAST IDAHO BALLROOM CONCERT** is tomorrow! We are is excited to see all our dancers perform!

The show order is attached, the IBA routines are highlighted.

REMINDER: All performances and competitions are required! We understand that there may be extenuating circumstances arise, but these events should have top priority on your calendars. Some dancers told their coaches this week that they weren't sure if they were coming ... 😞

NOTE: Even at required events, some of the dancers will be dancing "Casper", meaning without a partner. There is some sickness going around, and also we've had one dancer quit leaving us without time to fill the spot, and there are sometimes day-of emergencies. The coach will always give the affected partner the option to Casper Dance or not dance, and they may choose. For some it would be terrifying to dance without a partner, and for others - well, the partner is optional!

FOR FULL DETAILS: Please refer to your team specific info that the coaches have posted on Band, the attached info page, and the info email sent on **Jan 14**.

A few things for your attention:

1. Make sure your dancer is wearing their IBA Team Shirt and black pants (Latin/Leggings/Warm-ups) and dance shoes for stage time: If they are wearing a hoodie, they'll take it off for the stage time.

Red shirt for Pre-Teens, Pre-Jrs, Juniors, All Stars.

Black shirt for Seniors + Team Jacket

2. Between stage time and show time: This can be a tricky time period to navigate.

- Junior and Senior dancers should not plan to stay, please make plans or arrangements for them to either come back home, or do something in Idaho Falls. They should return to the venue by 6:30 pm with hair and make-up ready. If they have younger siblings in the 5:00 show they can stay with them. If they are after the intermission, they may return by 7:15 pm.

- Pre-Teen/Pre-Junior: It will be a medium long wait for them (1.5 - 2 hrs) between their stage time and show time. The hallway area where the dressings rooms are is usually quite cold so it's not a good place to hang out. The dancers can hang out in the changing rooms (class rooms) but please make sure that they have something to keep them occupied. This would be a good time to take them to eat, go to Target, etc ...

3. Dancers will be sitting in the balcony before and after they dance. If you want your dancer to come sit with you after they dance, Please meet them in the lobby and walk them to your seats.

4. Girls earrings (Jr/Sr): we keep all the girl's earrings and hand them out each performance. They are responsible to get/return them from the team binders at each show.

5. The form to order a dvd of the show is attached. Please don't feel any obligation to order a dvd, your dancer is in just one routine. You are welcome to video from the audience. If you get a good recording of the whole team dancing (no zooming in on your dancer) please post it on your team band.

Feel free to contact me or your coach for any questions!
