

LIFT TEAMS: CHOREO WEEKEND

Hi Lift Team Dancers and Parents -

The combined Lift Teams routine, WICKED, was introduced last year, but is undergoing a major re-do in both the music and choreography.

The new music editing is complete and so we are ready to do the new choreography.

We have a guest coach, Joy Price, coming to teach the new choreography.

Please mark these dates/times on your calendar. It is the weekend of Dancing with the Stars, so we anticipate that all lift dancers will be available.

Friday Nov 6, 6-9pm

Saturday Nov 7, 7-11 am

Location TBA.

We are hoping to use a larger floor at a school, but if we aren't able to reserve one, the sessions will be at the studio.

We're so excited for this combined routine!
