

CALI TOUR: Preliminary List

If you are considering going on the tour, would you please add your info to this list? This will help me with the numbers so I can get more accurate cost quotes.

You can add a "?" if you're not sure. And don't worry about any formatting, I'll do that as names are added.

I'm attaching the info page again for your reference.

This is NOT the registration. I'll send the official registration link on November 1.

Cali Performance Tour 2027

We Are So Excited!!!

Please consider joining us if you are planning on a family vacation next summer. It is a lifetime memory to go on a performance tour! You can go earlier and/or stay longer if you are driving.

HOW IT WORKS & GENERAL GUIDELINES

- We will form teams with the dancers who are going. We cross our fingers that there will be close to the same number of boys and girls.
- Dancers must be 7 years old to perform (this is a Disney requirement).
- Dancers must be 15 years old to go without a parent.
- We will have rehearsals (twice weekly) in May to learn the routines.
- Depending on age and how many dancers there are, they will learn 1-3 routines.
- Transportation can be either driving or flying.

- Disneyland & California Adventure: 2-days (Performance)
