

Spring Concert Details

IBA SPRING CONCERT • APRIL 26

Madison High School Auditorium.

It will be a long but great day!

Here are details for the concert, which is in 10 days! Please read through ALL of this information.

There will again be three shows, this has worked really well that past few years. We know this makes for a very long day for those of you with dancers on all age teams, but for the majority of families, splitting the shows works really well.

REMINDER: NO FOOD OR DRINK is allowed in the auditorium or changing rooms - not even water. Dancers can eat in the hallways or outside, but not in the changing rooms. There is enough time between the end of stage times and the time the dancers are supposed to arrive, that there shouldn't be a need for any great feasts in the hallways this year.

• SCHEDULE

Each team will have 10-15 minutes on the stage set their routines. Dancers should arrive 15 min before their team stage time begins. All dancers should wear their official team gear (team shirt and black pants for juniors and pre's, and warm-ups for Seniors).

***ALL TEAMS** will meet at 12:00 for the Cast Meeting and Finale practice.

NOTE: Last year we were able to have several teams go on Friday night for stage time, but this year the auditorium has an event scheduled on Friday, so all stage times will be on Saturday.

• CHANGING ROOMS

The dancers must be very careful with make-up and hair products in these rooms. **No food or drink** is allowed to be eaten in these rooms. We ***cannot*** leave a mess. Dancers must not touch any of the instruments or other equipment, including the music stands.

Due to problems with dancer behavior in the band and orchestra rooms in past years, we must have an adult supervisor in the rooms at all times. This will be on the help sign-up sheet.

The dancers will be using the rooms around the auditorium as follows:

Green Room: Comp and Gold Team boys and girls (there are two rooms)

Orchestra room: All Girls: (except Comp & Gold)

Band room: All Boys (except Comp & Gold)

• SHOW TIMES

If dancers wish to give their coach a gift or card, they need to do it before the 5:00 show. The dancers must be on the stage ramp at 4:40 if they would like to present their coach something.

During the performances, dancers will be allowed to sit in the upper rows of the balcony if they would like to watch the other teams. We will tape them off so that spectators don't sit there before the shows.

Between the performances, dancers may stay at the school and eat a snack or they may leave with parents to eat. Dancers who leave must return 30 min before the next show begins.

• **SHOW ORDER:** We are still working on the show order. It is very tricky with shared dancers, and also fitting in the lift teams which have dancers from up to four different teams. We'll send it out as soon as it is finalized.

• **Registration for next year: Opens April 26.**

We will send out registration information early next week with the links to the registration forms.

I'm sure there will be a few p.s.'s coming, and also some separate messages specific to teams. We are looking forward to a fantastic show. Thanks for all you've done to make it all possible.
