SOP DETAILS!

Here are the details about the SOP Day, tomorrow! Please make sure to read everything, and then read it again…
Call, text, or email me if you have questions - but not until you've read this at least twice!!

Saturday, Sept. 12, IBA Studio

• NEW PARENTS MEETING: 10:00 am
This is for all parents who are new to IBA. Please make every effort to attend. We'll introduce the IBA philosophy and mission, calendar, talk about the finances and payment options, and size dancers for their gear. This is also our chance to meet you!

We will send out the agenda of this meeting in a follow-up email, so watch for that if you are unable to attend.

• S.O.P. (Sizing, Orders, Payments): **11 - 2pm.**
In order to spread out the crowd, we ask you to come according to the following schedule (by last name):
A-F 11 - 12 pm
G-M 12 - 1 pm
N-Z 1 - 2 pm

If you are unable to come during the designated hour, that's okay. But it will be very helpful if you do try to come according to this schedule if possible.

• MAKE-UP SOP DAY: Tuesday, Sept 9, 6-7:30 pm.
If you are not able to come on Saturday, you can come the next Tuesday. If you can't come then, please contact me and we'll set up another time.

Pre-teen & Pre-Jr boys: only need a team t-shirt. If you can eyeball their size, they don't need to come. They may order dance shoes if they (you) want to.

Pre-Junior girls: they need fishnets. Girls can come for sizing, or moms can determine it from the sizing chart.

Ladies Order Form Mens Order Form

• **USED ITEMS:**
There will be a table of used items for sale. There are many pairs of used shoes available for $15-$20. There are also several Latin pants, black skirts and team shirts available. We do not keep a list of what sizes there are, so you just have to come look through the pile if you are hoping to get a used item.

If you want to sell your shoes or other gear that have been outgrown but are still in good condition, please clearly label them with your name, asking price, and your venmo id. You can drop these off at the Studio on Friday between 3 - 6pm, or in the morning before SOP begins. Not all items sell, so if yours doesn't sell, you can pick it up or leave it for next year.

• **YARD SALE:**
We will also have a table of "yard sale" items. These are things like team clothing in styles that we no longer use, lost & found items, extras of items that we don't need, etc. There will be some shoes on this table that would be good for practice shoes to be worn in classes, but are not for performances as they are a different style.

2. PAYMENTS

There was a separate email with all the financial details. Shar-a-Lynn Randall and helpers will be at SOP DAY to meet with each parent to set up or collect the payments. She has prepared a spreadsheet for each dancer/family with the totals all prepared, figuring in any discounts, scholarships, trades, or credits.

If you aren't able to come on Saturday or to the make-up day (Tuesday), you can call or e-mail Shar-a-lynn to set up a time to meet (or call) to set up or make your payments. (208) 201-0592 IdahoBallroomBooks@gmail.com
