Cali Performance Tour 2027

We Are So Excited!!!

Please consider joining us if you are planning on a family vacation next summer. It is a lifetime memory to go on a performance tour! You can go earlier and/or stay longer if you are driving.

HOW IT WORKS & GENERAL GUIDELINES

- We will form teams with the dancers who are going. We cross our fingers that there will be close to the same number of boys and girls.
- Dancers must be 7 years old to perform (this is a Disney requirement).
- Dancers must be 15 years old to go without a parent.
- We will have rehearsals (twice weekly) in May to learn the routines.
- Depending on age and how many dancers there are, they will learn 1-3 routines.
- Transportation can be either driving or flying.
