

BACK ORDERS & DELAYED ORDERS

Hi Dancers and Parents -

All of the gear that has arrived has been handed out to the dancers over last week and this week. There are several items that are on back order, or have a delayed delivery.

If you/your dancer are still waiting on items, please check this list below. These items are still on the way...

Dancers who ordered after the early bird deadline, your gear will arrive by the end of October (unless it's on the list below ... then we're not sure.)

LADIES

- Ladies Smooth Shoes:
Sizes 4.5, 7, 8, 8.5, 10
- Ladies PT Shoes, size 38
- Ladies Special Order shoes (narrow/wide)
- Ladies Nude leotard: Size Med

- Heel guards: Since most of the China shoes didn't come with heel guards, we are going to figure out what size fits them and order those in. Some of the smooth shoes had the wrong size heel guard put into the bag. We'll get the right ones to those who ordered smooth shoes. The pre-teen shoes don't have heel guards.
- Lift Leos: some came as sleeveless, even though the package said long sleeve. They have been re-ordered.
- Skirts: These are being made by one of our sewing moms, they will be done before Christmas Classic and delivered to the girls in their teams.
- Earrings: These are not handed out to the girls. We keep them in team binders and give the to the girls before each performance, then collect them afterwards.

MEN

- Mens Latin shoes: size 11
- Mens lift shirts: size XL, and some med sizes were given to dancers who didn't order them, so we've ordered more.
- Syllabus shirts: Size XS, S
- China Latin Pants: The pants have been delivered, the seamstress has them all. She will have the boys come in to measure the hems. We will let you know when this will be.
- Star Latin Pants: not yet arrived.

Please don't hesitate to contact me if you have any questions about your ordered gear -
